### Refund Policy:

#### Refund Eligibility:

Customers may be eligible for a refund under the following circumstances:

If a purchased product is damaged or defective upon delivery.

If the product received does not meet the specifications and descriptions as outlined on our website.

If a service is not provided as promised.

#### Refund Process:

To request a refund, customers must contact our customer support team within 24 hours of the purchase or service delivery.

Customers may be required to provide proof of purchase or other supporting documentation.

Refunds will be processed within 24 hours after the request is approved.

### Cancellation Policy:

#### Cancellation Eligibility:

Customers may cancel an order or subscription under the following conditions:

Cancellation requests for product orders should be made within 2 days of the purchase.

Cancellation of subscription services should adhere to the terms outlined in the respective subscription agreement.

#### Cancellation Process:

To request a cancellation, customers must contact our customer support team.

Cancellation requests for subscriptions should follow the terms specified in the subscription agreement.

#### Cancellation Fees:

Cancellation fees may apply for certain services or products. The amount and conditions of these fees will be clearly communicated at the time of purchase.

#### Customer Responsibilities:

Customers may be required to return products in their original condition for eligibility for a refund.

Compliance with the specified cancellation process is the responsibility of the customer.
